Notice

A meeting with School Principals to improve Teaching Practice and Field Engagement Program (Schools) will be held on 12.03.2022 at 1:00 PM. In this regard, Dr. Meharban Singh will coordinate and after discussion will submit its report to the concerned.

Report

A meeting with Principals of Practice Teaching Schools was held on 12.03.2022 in the College Campus. During the meeting Dr.Meharban Singh Skill in Teaching incharge M.G.N. College of Education initiated with a Welcome note and demanded suggestions from Principals to improve the Practice Teaching/Field Engagement Programme with Schools. Dr.Jasdeep Mohan recommended that Schools for Practice Teaching should be allocated by the College itself. He reminds previous action researches conducted by College pupils-teachers. He appreciated the innovative activities i.e. action research reports and remedial measures taken. Mr.Sawtantar Pathania also applauds the innovative practices taken up by college students such as remedial classes in the recess period and solving classroom problems with the help of action research. He suggested that students should be sent to these Schools to continue innovative practices, as for the last two years allocation of schools were done by SCERT. He also suggested PTs must have command over English. Mrs.Amarjeet Kaur suggested that college must continue the previous practice i.e. before allocating the schools to the pupil teachers, college asked the requirement of subject teachers from practicing schools and Mrs.Gurinderjit Kaur supported the proposal given by Swatantar Pathania and Mrs.Amarjit Kaur. She emphasized that there must be continuity in covering syllabus by the PTs. Mrs.Alka Trehan appreciated the work done by the pupils-teachers in the practicing schools.

Resolution

On the suggestions of the Principals of practicing Schools it is resolved with the able guidance of Principal Mrs.Neelu Jhanji that School subject teachers should give syllabus to be completed by PTs during their teaching practice and Teacher incharges will monitor and report to the subject teachers at the end with a class test.

Skill-in-teaching incharge must ensure the innovative practices to continue in future and Feedback must be taken from Principals after the completion of each Practice Teaching session.
