Montgomery Guru Nanak College of Education, Jalandhar

## Facilities provided by the College for facilitating self study courses

Library:
- The college library is partially automated.

- The software used in the college library has full catalogue with complete details of all the library items to make it user friendly.

- Library users can use "Search the catalogue" option to check the availability and status of all library items via author, title, subject, accession number etc.

- Users can have access to e-resources which includes e-journals from various reputed publishers and e-books through NLIST Programme of INFLIBNET. Its membership is renewed on annual basis by college library.

- All the stakeholders and students from different universities/colleges can have physical access to large number of text books, reference books and competitive examination books such as UGC-NET, C-TET, PS-TET etc. available in college library.
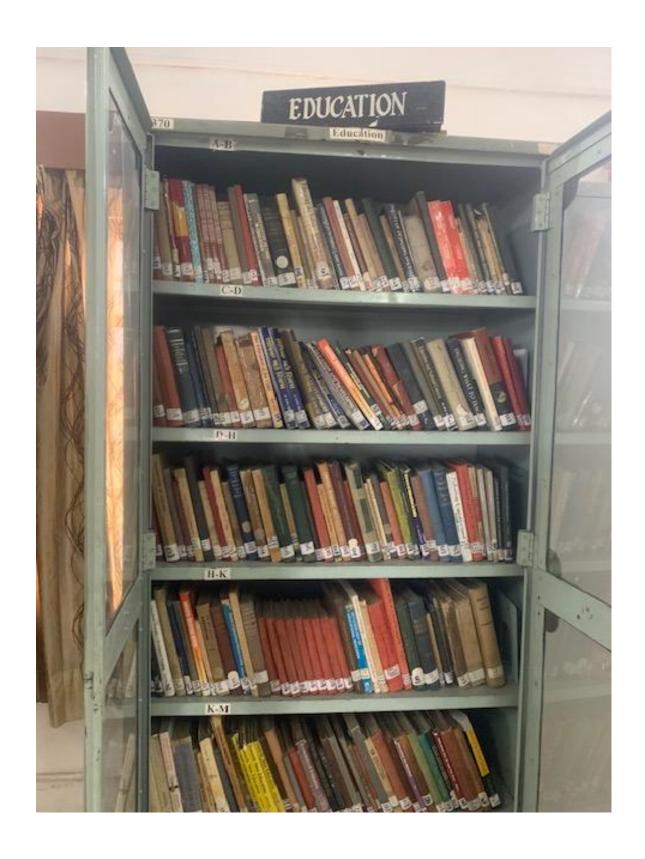

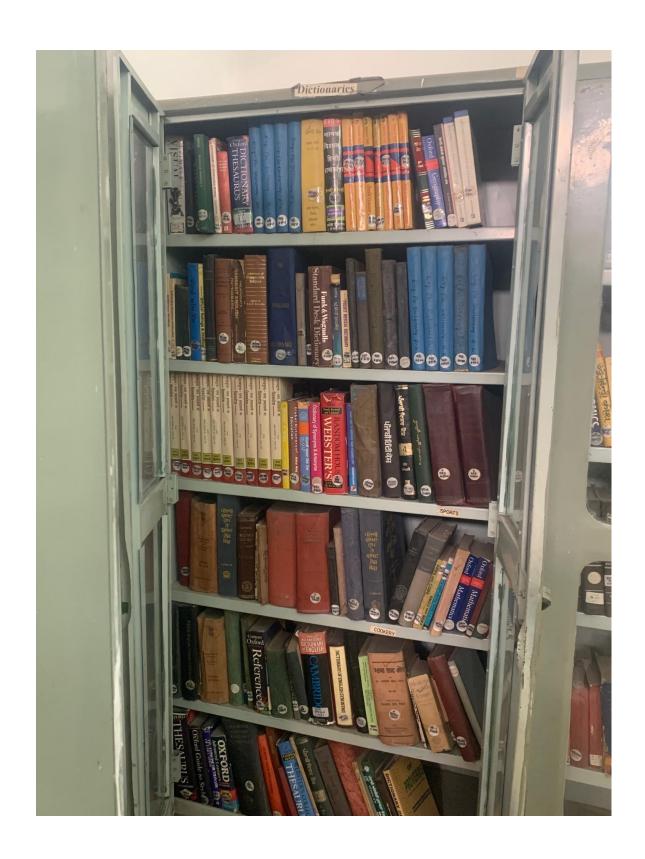

ICT Resource Centre:
- Students can do their work in the ICT resource centre of the college which is equipped with 25 computers. They can fill admission/examination forms, prepare assignments or search the data as requirement.

- Students can use basic office softwares like Microsoft Word, Excel, PowerPoint for making presentations or notes.

- Teachers can also make use of ICT Resource Centre facilities for the curriculum transaction and research purpose.

- All computers have Antivirus software installed.

- Users can have access to e-resources like number of OERs or can study online self-study courses on different portals like SWAYAM , Udemy etc. using facilities provided by ICT Resource Centre.
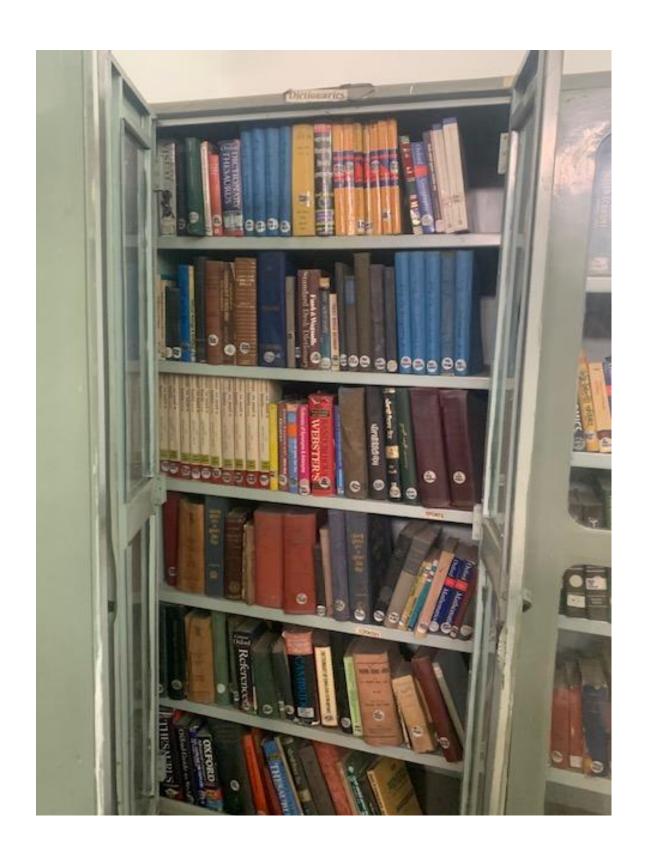

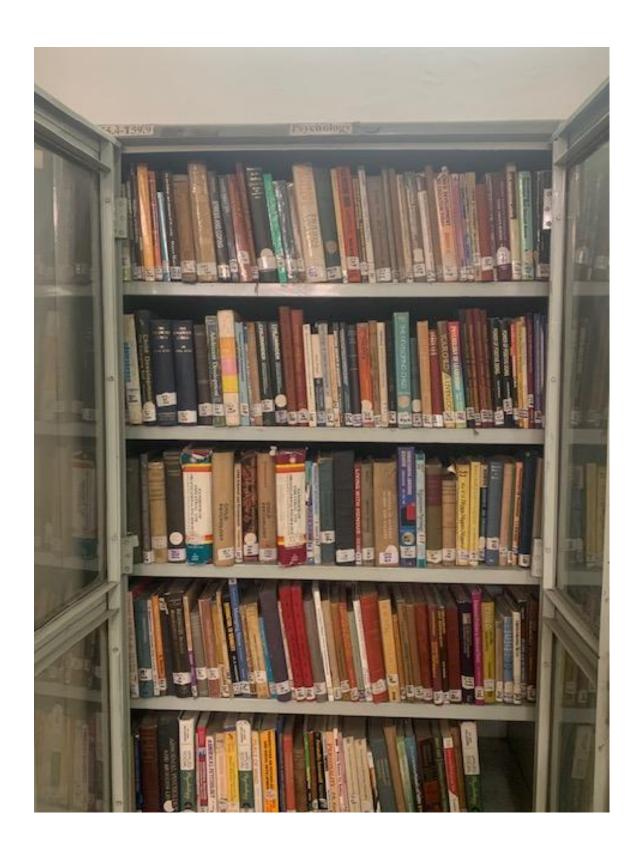

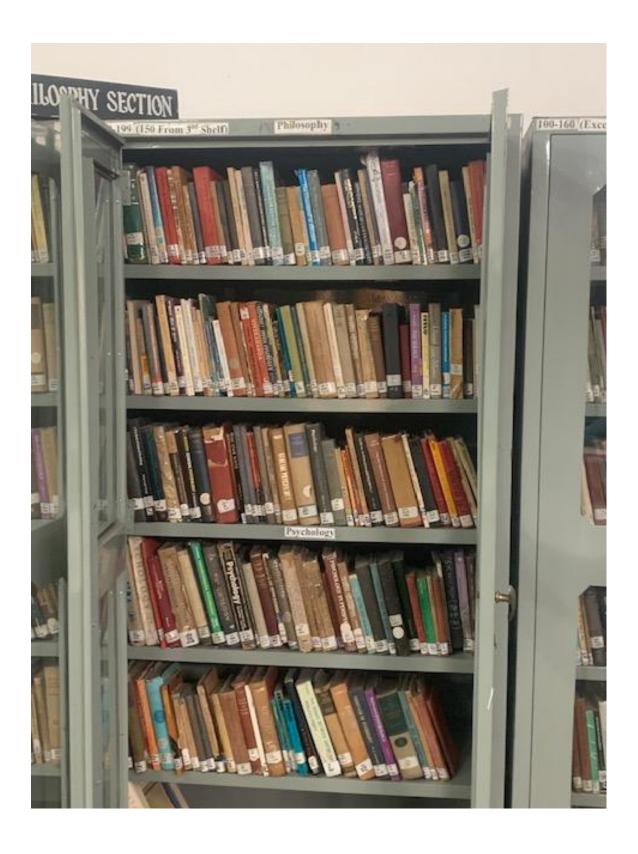

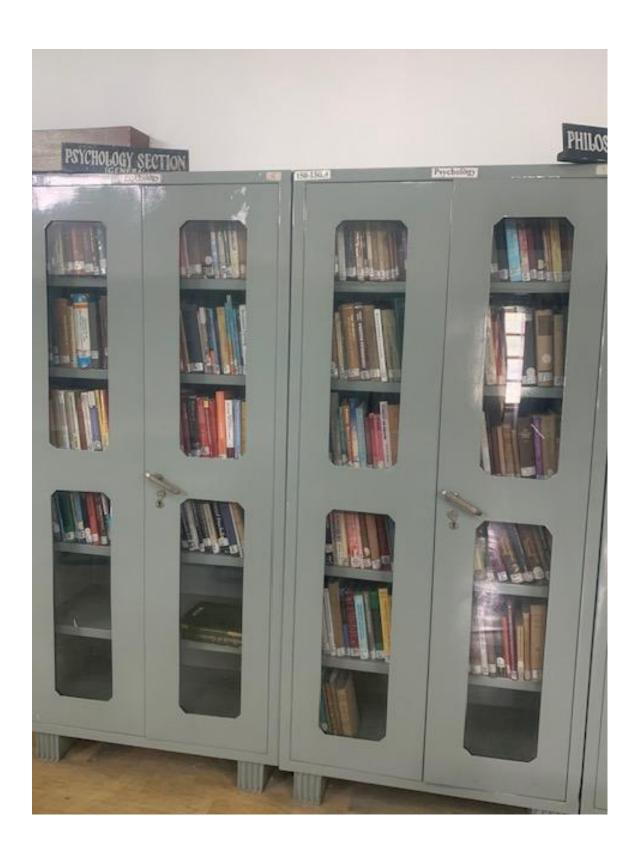

Facilities available in the Library

100-160 (Except 150)   Philosophy
