Ueeky
Acting Principal

Institution has created an eco-system for innovations and other initiatives for creation and transfer of knowledge that include

1. Participative efforts (brain storming, think tank,etc.) to identify possible and needed innovations
2. Encouragement to novel ideas
3. Official approval and support for innovative try-outs
4. Material and procedural supports

The environment of MGN College of education, Jalandhar has been ever conducive in promoting innovative skills amongst its students, with creation and dissemination of knowledge as its core objective. IQAC organises extension activities through which students can interact with the intellectual brains and develop critical and creative thinking.

The Art Club encourages the students to express their thoughts, feelings, and creativity through organization of different events, celebration of important days and competitions viz:- painting, sketching, handicraft, clay modelling, poster making, slogan writing, salad preparation, kite making. The thematic competition engages students to boost their creative ideas with aesthetic sense.

The cultural club of the college offers a platform to the students to showcase their talent. Cultural club of the college organizes various cultural, literary and theatrical activities like talent hunt, participation in youth festival, cultural events at sports meet, alumni meet etc. and participation in different inter-college competitions. This helps the students to develop communication skills, co-operative skills and instil confidence and creative ideas among the students.

Literary club fosters analytical skills through organizing activities like poetry writing, story writing, recitation, essay writing, etc. for the students and through these activities they are able to express their innovative ideas in the most effective way.

The institution also provides access to digital database for promoting research like INFLIBNET, JOURNAL, E-BOOKS, SHODHGANGA etc.
